### Section I

|                                                                         |                                                  |
|-------------------------------------------------------------------------|--------------------------------------------------|
| Manufacturer's Name<br>CAPITAL SOAP PRODUCTS                            | Emergency Telephone Number<br>973 333 6100       |
| Address (Number, Street, City, State, and ZIP Code)<br>33 Branch Street | Telephone Number for Information<br>973 333 6100 |
| Paterson, New Jersey 07524                                              | Date Prepared<br>November 2004                   |
|                                                                         | Signature of Preparer (optional)                 |

### Section II - Hazard Ingredients/Identity Information

| Hazardous Components (Specific Chemical Identity;<br>Common Name(s)) | OSHA<br>PEL | ACGIH<br>TLV | Other Limits<br>Recommended | %(optional) |
|----------------------------------------------------------------------|-------------|--------------|-----------------------------|-------------|
| ATTAPULGITE CLAY CAS # 8031 18 3                                     |             |              |                             |             |
| PINE SAWDUST None Assigned                                           |             |              |                             |             |
| PINE OIL CAS # 8002 09 3                                             |             |              |                             |             |
| H.M.I.S. RATING: HEALTH 0 FLAMMIBILITY 1 REACTIVITY 0                |             |              |                             |             |
| THIS PRODUCT CONTAINS NO HAZARDOUS INGREDIENTS AS DEFINED BY OSHA    |             |              |                             |             |

### Section III - Physical/Chemical Characteristics

|                         |                                   |                                         |     |
|-------------------------|-----------------------------------|-----------------------------------------|-----|
| Boiling Point           | N/A                               | Specific Gravity (H <sub>2</sub> O = 1) | .42 |
| Vapor Pressure (mm Hg.) | N/A                               | Melting Point                           | N/A |
| Vapor Density (AIR = 1) | N/A                               | Evaporation Rate<br>(Butyl Acetate = 1) | N/A |
| Solubility in Water     | NOT SOLUBLE IN WATER              |                                         |     |
| Appearance and Odor     | OFF WHITE OR BEIGE - PINE SCENTED |                                         |     |

### Section IV - Fire and Explosion Hazard Data

|                                           |                       |     |     |
|-------------------------------------------|-----------------------|-----|-----|
| Flash Point (Method Used) 325° F/OPEN CUP | Flammable Limits      | LEL | UEL |
| Extinguishing Media                       | WATER OR DRY CHEMICAL |     |     |
| Special Fire Fighting                     | NONE REQUIRED         |     |     |
| Unusual Fire and Explosion Hazards        | NONE ESTABLISHED      |     |     |

(Reproduce locally)

OSHA 174, Sept. 1985

## Section V - Reactivity Data

|                                       |                |      |                       |
|---------------------------------------|----------------|------|-----------------------|
| Stability                             | Unstable       |      | Conditions to Avoid   |
|                                       | Stable         | X    | STABLE & NON-REACTIVE |
| Incompatibility (Materials to Avoid)  |                | NONE |                       |
| Hazardous Decomposition or Byproducts |                | NONE |                       |
| Hazardous Polymerization              | May Occur      |      | Conditions to Avoid   |
|                                       | Will Not Occur | X    | NONE                  |

## Section VI - Health Hazard Data

|                                                                                                                      |                        |                                       |                 |
|----------------------------------------------------------------------------------------------------------------------|------------------------|---------------------------------------|-----------------|
| Route(s) of Entry:                                                                                                   | Inhalation? None Known | Skin?                                 | Ingestion?      |
| Health Hazards (Acute and Chronic) Prolonged or repeated exposure can cause drying, defatting and dermatitis of skin |                        |                                       |                 |
| Carcinogenicity:                                                                                                     | NTP?                   | IARC Monographs?                      | OSHA Regulated? |
| Signs and Symptoms of Exposure                                                                                       |                        | NONE                                  |                 |
| Medical Conditions                                                                                                   |                        |                                       |                 |
| Generally Aggravated by Exposure Harmful if swallowed. May cause nausea, vomiting                                    |                        |                                       |                 |
| Emergency and First Aid Procedures                                                                                   |                        | INDUCE VOMITING - CONSULT A PHYSICIAN |                 |

## Section VII - Precautions for Safe Handling and Use

|                                                           |                                                                            |
|-----------------------------------------------------------|----------------------------------------------------------------------------|
| Steps to Be Taken in Case Material is Released or Spilled | MATERIALS REQUIRE NO SPECIAL PROCEDURES                                    |
| Waste Disposal Method                                     | SUITABLE METHODS OF GOOD HOUSEKEEPING MEETING APPLICABLE LOCAL REGULATIONS |
| Precautions to Be taken in Handling and Storing           | NONE REQUIRED                                                              |
| Other Precautions - NONE                                  |                                                                            |

## Section VIII - Control Measures

|                                                     |                      |                              |
|-----------------------------------------------------|----------------------|------------------------------|
| Respiratory Protection (Specify Type)               |                      | NONE REQUIRED                |
| Ventilation                                         | Local Exhaust        | Special                      |
|                                                     | Mechanical (General) | Other                        |
| Protective Gloves- Not Required                     |                      | Eye Protection -Not Required |
| Other Protective Clothing or Equipment Not Required |                      |                              |
| Work/Hygienic Practices                             |                      | WASH HANDS AFTER USE         |
